Stables

Because of the large number of competitors and the limited number of boxes, we are not able to offer tack boxes. However, there is plenty of space in front of each box, under a roof, to put equipment.

The first bedding (straw) is included. Extra straw, shavings or hay can be purchased via the Stable Manager during the fodder hours (published by the stables).

The stables are open from 06.00 – 22.00. Please write your phone number on the box of each horse so we can contact you in case of emergencies.

The stables and the competitors camp site (including power) are available until Monday morning, 10.00.

Parking

Every competitor will receive a parking space of 6 x 20 m2. This includes space for 1 extra caravan for the chef d'équipe or team veterinarian.

Max 1 car per competitor + max 1 car per National Federation will have access to the competitors camp site. You will receive parking tickets in your welcome pack. Extra cars will need to be parked elsewhere.
